Waterfall of Love

A waterfall of love cascades down with our exquisite 4-tiered wedding cake adorned with a variety of fresh, colourful flowers, from delicate roses to vibrant orchids.

Each layer of our stunning cake is delicately designed and decorated with the most colourful flowers, creating a breath-taking piece for your special day. As your guests marvel at the beauty of this work, they will also be treated to a delectable dessert that is as delicious as it is stunning. The freshness of the flowers adds a unique touch, infusing every slice of cake with the sweetness and beauty of nature.

Rose gold and Silver

Our elegant 4-tier wedding cakes, complete with stunning gold and silver details, marble effects, and beautiful floral decorations.

Crafted with only the finest ingredients, each layer of our wedding cakes is light, airy, and bursting with flavour, with a rich texture that will tantalize your taste buds. But it's the details that make these cakes truly special. From gorgeous gold and silver accents to marble effects, our wedding cakes are truly one-of-a-kind. And as the icing on the cake, our cakes can be adorned with elegant wafer sheets and beautiful flowers, completely tailored to the preferences of the bride and groom.

Sweet and Fresh

Each layer of the cake is expertly crafted to perfection, and adorned with beautiful fresh flowers that cascade down the tiers in a beautiful arrangement.

The result is a breath-taking display that will add a touch of elegance and sophistication to your wedding reception. Whether you prefer classic roses, wild-flowers, or tropical blooms, we can create a stunning display that matches your wedding theme and colours. Our goal is to create a beautiful and delicious centrepiece that will make your wedding day even more special and unforgettable.

Classic Pink

This exquisite cake is the perfect choice for an elegant and refined bride and groom who want to make a statement on their wedding day.

The soft pink flowers that adorn the cake create a beautiful contrast against the white background of the cake. As the night comes to an end, there is no better way to close out the festivities than with a slice of this beautiful cake. The four tiers of the cake create a majestic presence that will make for a memorable photo opportunity for the happy couple.
